Garrard County Economic Development Office Welcomes Tyler Lane

Centre College Graduate Serves as Garrard County Economic Development Intern

Lancaster, KY (February 8, 2011): Garrard County Economic Development Director Nathan Mick announces that Tyler Lane will serve as an intern in the Garrard County Economic Development Office through May 6, 2011. Mr. Lane will intern a minimum of 20 hours per week.

“I have been given a great opportunity to work with Nathan Mick and his colleagues and I look forward to working to help grow Garrard County and learning a lot in the process,” said Tyler Lane.

Tyler Lane graduated from Centre College in Danville, Kentucky in January 2011 with degrees in Government and History. He is a native of Oak Ridge, Tennessee. Mr. Lane will be assisting with continued efforts to recruit businesses to Garrard County; updating and improving the GrowingGarrard.com website; marketing Garrard County events and updates through social media and the Garrard County online community calendar; conducting business research; volunteering for projects and events in partnership with the Garrard County Chamber of Commerce; and helping to represent the Garrard County Economic Development Office at meetings and events in Garrard County and throughout Central Kentucky.

Garrard County Economic Development Director Nathan Mick said, “Garrard County is fortunate to have Tyler Lane serving as an intern for our community through May. Tyler is the fourth intern to serve in the Garrard County Economic Development Office since 2008. We work to provide interns with a unique learning experience and we always benefit and learn from them as well. The new energy and creative talents of people like Tyler will contribute to our efforts to continue to move Garrard County forward. We welcome Tyler to Garrard County. I look forward to working with him in the coming months.”
